

James Brothers Ltd.

Direct Replacement Conductivity Probes

email sales@jamesbrothers.co.uk

High Quality Replacement Probes.
Manufactured to the highest standards in
Stainless Steel with Zirconia Ceramic. The
replacement probe is of an equal or higher
specification than the original

Part number:	4571
Replaces:	Levelstate Type 801
Body material:	304 stainless steel
Temperature rating:	340 deg C
Pressure rating:	150 bar
Insulator material:	Zirconia
Connection Type:	M16 x 1.5mm screw thread
Seal:	Metaflex gasket (stainless steel and grafoil)
Warranty:	2 year

Part number:	4572
Replaces:	Levelstate Type 802
Body material:	304 stainless steel
Temperature rating:	370 deg C
Pressure rating:	207 bar
Insulator material:	Zirconia
Connection Type:	28mm A/F Compression sealing Nut
Seal:	Ring Lock Nut
Warranty:	2 year

Part number:	4574
Replaces:	Levelstate Type 803
Body material:	304 stainless steel
Temperature rating:	370 deg C
Pressure rating:	207 bar
Insulator material:	Zirconia
Connection Type:	Clamp Plate
Seal:	Metalflex Gasket (stainless steel and grafoil)
Warranty:	2 year

Part number:	4575
Replaces:	Hydrastep 459 series
Body material:	304 stainless steel
Temperature rating:	340 deg C
Pressure rating:	150 bar
Insulator material:	Zirconia
Connection Type:	M18 x 1.5mm screw thread
Seal:	Grafoil Gasket
Warranty:	2 year

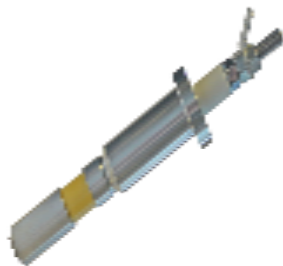

Part number:	4576
Replaces:	Hydrastep 246781 ZA
Body material:	304 stainless steel
Temperature rating:	370 deg C
Pressure rating:	bar
Insulator material:	Zirconia
Connection Type:	22mm A/F 1/2" Compression Nut
Seal:	Compression Nut
Warranty:	2 year

Part number:	4577
Replaces:	Fossil
Body material:	304 stainless steel
Temperature rating:	370 deg C
Pressure rating:	bar
Insulator material:	Zirconia
Connection Type:	Swaglok Compression Nut
Seal:	Compression Nut
Warranty:	2 year

Part number:	4578
Replaces:	Clark Reliance ZG Series
Body material:	304 stainless steel
Temperature rating:	340 deg C
Pressure rating:	150 bar
Insulator material:	Zirconia
Connection Type:	Screw Thread
Seal:	Metalflex Gasket (Stainless steel and Grafoil)
Warranty:	2 year

Part number:	4579
Replaces:	Clark Reliance FG Series
Body material:	304 stainless steel
Temperature rating:	370 deg C
Pressure rating:	207 bar
Insulator material:	Zirconia
Connection Type:	Clamp nut
Seal:	Metalflex Gasket (Stainless steel and Grafoil)
Warranty:	2 year

Part number:	4580
Replaces:	Hydrastep 459600201
Body material:	304 stainless steel
Temperature rating:	370 deg C
Pressure rating:	207 bar
Insulator material:	Zirconia
Connection Type:	Clamp Plate
Seal:	Metalflex Gasket (Stainless steel and Grafoil)
Warranty:	2 year
